ATTENTION ALL MEMBERS!

If you would like your chapter to be recognized for all of the wonderful things you're doing in your families, careers, and communities, please send a brief article and picture to the newsletter at utfcclanews@gmail.com!

Chapter Highlight

Riverton High has been a very busy chapter this year! Between the Region 2 Activity, Festival of Trees, and FCCLA@theTable, there is always something new here.

Riverton High held a chapter service project and took time to make plush animals for the Festival of Trees Elf Emporium (the gift shop at the festival).

They have also set a chapter goal for FCCLA@TheTable of over 200 meals from their chapter.

Riverton members are also working on their STAR Events, and have also started up a Parliamentary Procedure team! Good luck, Riverton High, and keep up the good work!

Chapter Highlight

Bountiful High FCCLA

It's all about the FASHION! Where should you shop for that perfect dress for Prom? Where can you find the latest trends and fashion must-haves? Look no further! Bountiful High FCCLA is hosting their Seventh Annual Benefit Fashion Show this year where all of the greatest local businesses will be represented. BHS FCCLA reaches out to the trendiest local shops and boutiques for donations of all kinds. This energizing event promotes both FCCLA and local businesses to students of BHS and other community members. What's better is ALL proceeds will be donated to Primary Children's Hospital, and in past years, they've always raised well over \$1,000! This event is one to be marked on your calendars. You wouldn't want to miss this!

Alumnus Highlight

Daphne Stockdale's involvement in FCCLA started back in high school. She had the opportunity to be a state officer and a national officer candidate. After high school, she

went on to Utah State University (GO AGGIES!) to major in Family and Consumer Sciences Education. She taught at Riverton High before going to the school that she currently teaches at, Carbon High. Her chapter members are so thankful for her and all of her hard work. She was recognized at the Region 3 Conference as the adviser of the year, and she definitely deserves it. She really does put her heart and soul into anything she does. Carbon is one lucky chapter!

State Conference, Here We Come!

By Kaitlyn Ferris, Utah FCCLA First Vice President

Hey, Utah FCCLA! I hope you're all getting pumped for our state leadership conference, 'cause I sure am! The state officers and state board have been working hard to make this year's conference one to remember. This year's Leadership Village will be full of great presenters, including our keynote speakers CoMeTrY, a couple of guys who are masters in comedy and poetry. Not only will we have tons of leadership opportunities, we will also have plenty of opportunities to socialize and party. Our night event will be crazy fantastic! Karaoke and the dance will be returning, as well as the rock wall and photo booth. And don't forget the best part of all: STAR Events and awards! Good luck to everyone competing! STAR Events are tremendous, and all the work is totally worth it. Also, good luck to everyone running for state or national office! The experience will change your life. This year's state conference is going to be a blast!
