### Chapter Highlight

On September 23 and 24, Carbon High School FCCLA officers attended the Utah FCCLA Fall Leadership Conference. Carbon High School had 13 officers attend.

Carbon also has two Utah state officers: Tanner Richardson, VP of Alumni & Associates, and Maddie Barr, VP of Social Media. They represent Region 1.

Carbon High's FCCLA chapter president said, "Fall Leadership was a great experience. It was very interesting to know my leadership style and my color."

Through all of the Utah FCCLA delegation, Carbon High represented well.

Carbon FCCLA adviser Daphne Stockdale said, "Carbon High FCCLA has always been a great club. Everybody is respectful and they attend all meetings that are expected of them."

They are excited to kick off this year of FCCLA in their chapter. They are encouraging all members to submit national programs and compete in a STAR Event at both the region and state levels. Carbon High loves FCCLA!

# STAR Events

By Caitlin Stock, Utah FCCLA VP of STAR Events and National Programs

It's the most glorious time of the year - time to get started on STAR (Students Taking Action with Recognition) Events and National Programs! Yes, the months have come upon us where members and chapters get involved in the opportunities FCCLA has to offer.

STAR Events are competitive events open to all active affiliated members of FCCLA. National Programs are activities members can complete for recognition at the State and National level.

This year, Utah FCCLA is trying something new. Members who do not score above a 50% on their Region rubric grade WILL NOT proceed to State. Members MUST qualify to go to the 2015 State Leadership Conference.

Also, ribbons will be given out at Region competitions instead of medals. With this new policy in place, be sure to ask any questions you may have and help out members that need assistance in succeeding.

For more information regarding STAR Events and National Programs, go to [www.fcclainc.org](http://www.fcclainc.org) or contact Caitlin Stock at [vpeventsandprograms@utahfccla.org](mailto:vpeventsandprograms@utahfccla.org). This year is going to be amazing. Be part of it!

## Alumnus Highlight

By Mikaela Bingham, 2013-14 Utah FCCLA 2nd Vice President

The FCCLA chapter at Utah State University is up and running! It's still pretty new, and we are still working out the kinks, but it looks promising this year!

On our level, we have the opportunity to compete in STAR Events, attend Region, State, Fall Leadership, and National Cluster Meetings! This is a great way for students of any degree to get involved on the college level. It is never too late to develop all the wonderful skills that FCCLA has to offer, and that's what I absolutely love about FCCLA.

I've had a wonderful experience in FCCLA, and I am so ecstatic that I am able to continue to do so as I pursue my chosen degree. My experience with FCCLA has changed my life and made me the person I am today. What you learn from FCCLA can be used at any level of life and will benefit you in every way!

## Fall Leadership in Review

By Wesley Carter,  
Utah FCCLA VP of Development

Just a few weeks ago we had our annual fall leadership conference. We hope that all the officers and advisers that came to the conference had just as much fun as we did!

Thanks to the help of chapter officers and advisers, we were able to raise \$534.50 for No Kid Hungry! This resulted in four officers getting pied in the face: Wesley Carter, Maddie Barr, Tanner Richardson, and Kayla Orton.

Students also got to hear from our awesome keynote speaker, Lieutenant Governor Spencer J. Cox. He taught us to never give up and that success comes from failures.

We hope that everyone was able to learn a lot and have a ton of fun, and we hope to see everyone again at the National Cluster Meeting in Salt Lake City on November 21-22!

## ATTENTION ALL MEMBERS!
